

**PRICE LIST &
SPECIFICATION GUIDE
2026**

Furnitureplan by Frem Group has a wealth of industry experience and our highly skilled team of designers and cabinet makers are amongst the best in the commercial furniture industry.

From point of order through to manufacturing and delivery, we care greatly about the service and products that we offer.

We design and manufacture multi-purpose MFC products for the workplace, library and education sectors. We offer a bespoke design and production service.

As part of Frem Group we are committed to reducing the environmental impact of all products produced and distributed from our Rotherham manufacturing facility, with the ultimate goal of contributing to the creation of a sustainable society for future generations.

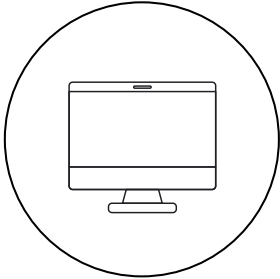

Frem Group have the environmental accreditation of ISO 14001 and are members of FISP (Furniture Industry Sustainability Programme).

PROFESSIONAL SERVICES

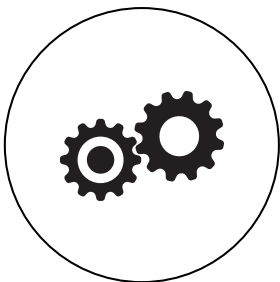

QUOTATIONS & CAD DRAWINGS

Your initial enquiry and quote requests will be handled promptly by our friendly sales team. You will be supplied with an official quotation and depending on the project, a CAD drawing produced by our technical team.

SITE SURVEY

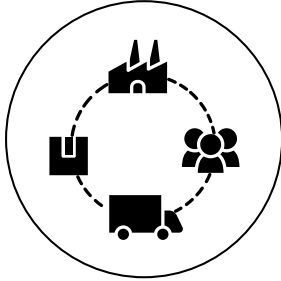

It will be determined if a site survey is necessary and the cost would be calculated. One of our experienced surveyors will attend site to inspect, measure and template (if necessary) and any amendments will be applied.

MANUFACTURING

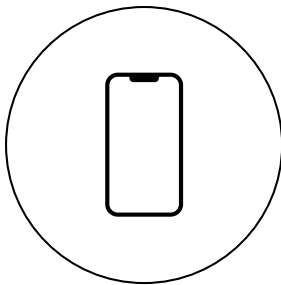

Once drawings are signed off, orders can be processed, and manufacturing can commence through our highly efficient production facility. Our impressive collection of machinery and latest technology ensure high quality and reliability every time.

PROFESSIONAL SERVICES

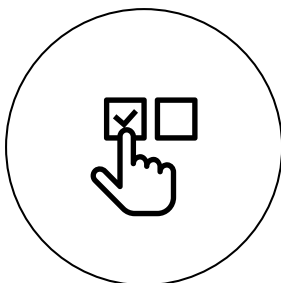

DELIVERY / INSTALLATION

Once manufacturing is commissioned our Logistics team will arrange delivery either to a warehouse or direct to site. We also offer a complete Project Management and Installation service with our own highly skilled team of fitters.

AFTER SALES SUPPORT

Our sales and technical teams will always be on hand to assist with any queries you may have regarding a received order, delivery or installation.

MULTIPURPOSE: OFFICE & EDUCATION

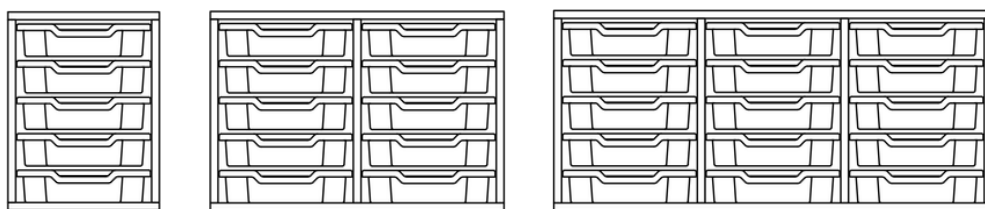

Many of our products can be applied in multiple environments by amending design and functional elements to suit the intended location.

SHALLOW TRAY UNITS

Shallow Tray Units

Shallow tray storage is available up to 5 bays wide and 16 shallow trays high with two different types of runners to choose from - Gratnells* (G and ED Range) or wooden (PSU Range). The units are available as static or mobile for easy re-positioning. Constructed from 18mm MFC in your choice of finish (see page 65) Gratnells Standard Shallow trays are included and the units come fully assembled. Handy corner units with trays or shelves are also available to fully utilise space. Other combinations available on request.

STORAGE WALL

Storage Wall

The Storage Wall system can be manufactured up to 3.2 metres high and tailored to suit the requirements of any open-plan or space. Various unit options are available to allow flexibility and efficiency. This system is bespoke and each unit can be manufactured to any necessary height and width.

Incorporate lockers and soft seating nooks to create an effective workplace solution.

Storage Wall makes effective use of vertical space and practically maximises storage opportunities. Internal accessories include; lateral and roll-out filling frames, hanging rails, LED lighting and glass shelves. Storage Wall bays are supplied 'carcass only' so internals can be configured to personal preference.

Example configurations

POA:

- A - Top box cupboards
- B - Locker wall bay
- C - Standard storage cupboards (various sizes)
- D - Standard drawers
- E - Standard two door storage wall bay
- F - Pigeon hole units
- G - Printer alcove
- H - Vertical (pictured) and tambour shutter doors
- I - Media Unit

GENERAL STORAGE

Storage cupboards

Storage cupboards are manufactured at one standard depth, with multiple widths and heights available within the standard range. Various accessories can be applied inside of our standard cupboards including wooden shelves or metal filing frames. They can be manufactured to bespoke requirements.

TEACHER WALL

Teacher Wall

Transform your teaching environment and maximise space utilisation with our innovative Teacher Wall solutions. Whether you need a modular setup or a bespoke system tailored to your exact requirements, our Teacher Wall offerings go beyond just accommodating smartboards or screens – they integrate sliding whiteboards, cupboards, tray storage, and shelving seamlessly. POA please contact us to discuss your requirements.

LOCKERS

Lockers

Traditional, practical, stylish. Our lockers offer a wide range of sizing options so you can design the most suitable configuration of lockers for your application in any office, school or leisure facility. Combine with our finishing options for a seamlessly fitted look. Supplied with standard key locks - more lock options available on request. As well as the starter and add-on options below, we can design and manufacture any size and configuration to suit your requirements, however tall or short, with or without hanging rails.

LIBRARY

Spectrum

Spectrum is a high quality range of shelving units available in a choice of eight colours. All units can be supplied in one colour or a combination as shown in our samples. Static units are supplied as standard or with castors at an extra cost. On double sided units, castors are available up to a maximum of 1500 high (at additional cost). Shelf quantity refers to the number of adjustable shelves and excludes top, canopy and bottom. Slatted end panels are also available as an option.

Nexus

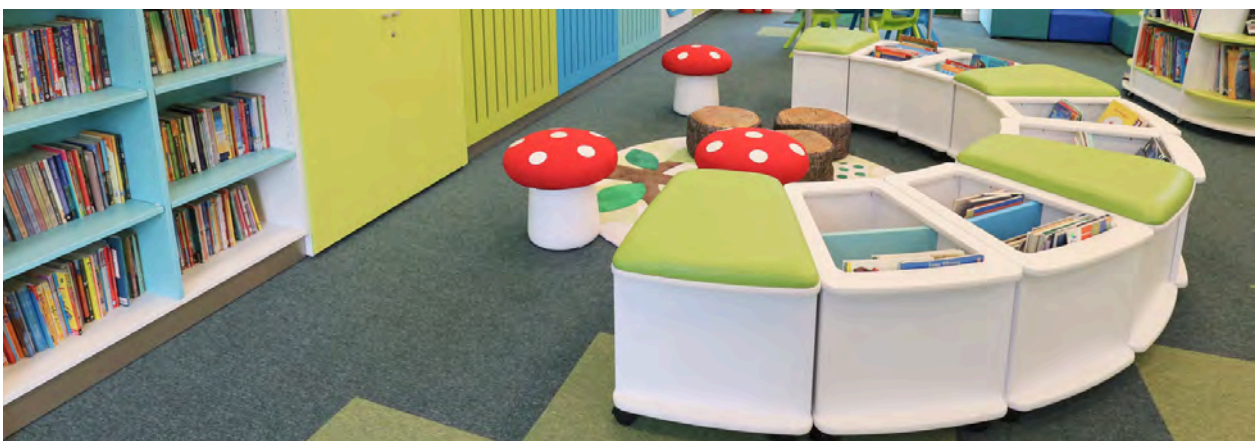

Nexus offers a range of shelving and library units which have been designed to fit together. The system is designed to maximise storage and display potential whilst keeping costs to a minimum. These high quality units are constructed using 18mm MFC and shelves and sides are available in any of the colours shown below. Shelving units are supplied as starter units which are complete and add-on units which have a transport end panel which is discarded to allow the add-on to be connected to the starter unit for a seamless finish. We can make any configuration to suit your space.

Handles

Our selection of handles are interchangeable for the Expedition and Voyage ranges and Kitchen units.

Multi-purpose Kitchens & Labs

Multi-purpose kitchens and labs are versatile spaces designed to serve various functions in schools and offices. These areas can be used for educational activities, practical demonstrations, cooking classes, office break areas, and more.

POA

Tea points

Tea points are an essential feature in modern workplaces, providing a designated area for employees to relax, refresh, and socialise. We can manufacture for any size space and integrate storage, plumbing, electrical appliances, lighting and furniture including tables and chairs.

POA

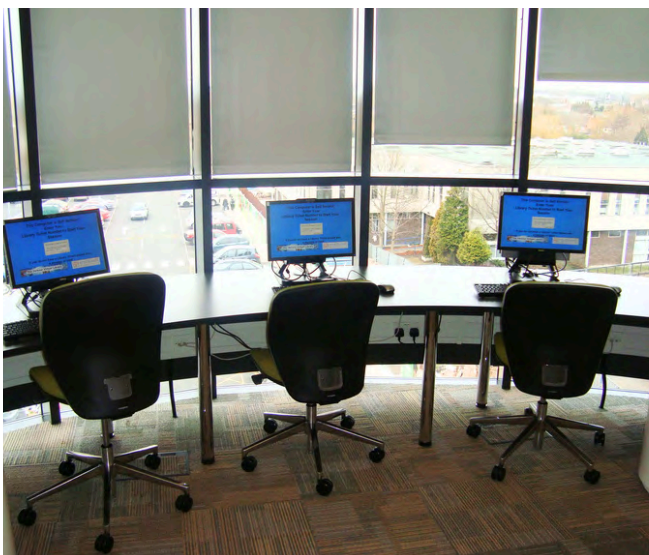

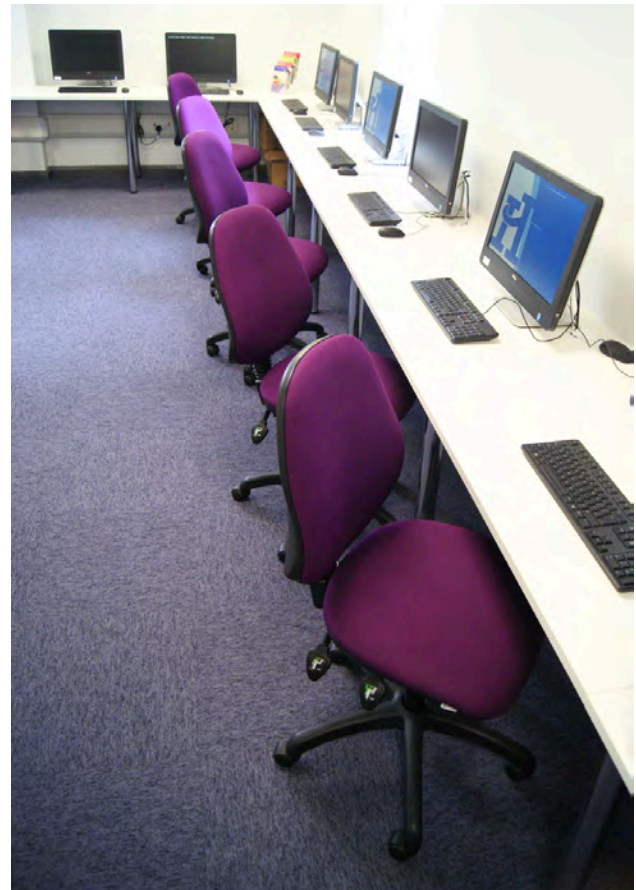

Perimeter Benching

We can offer total flexibility with our perimeter benches - all benching is bespoke, with a choice of worktop and leg style and colour. For offices, libraries, and educational settings to maximise the use of available space and create an efficient, organised environment.

POA

Study Carrels

Study carrels are a valuable tool for creating an effective study space, offering both privacy and a structured environment to enhance focus and productivity. Below is a sample of the units we can manufacture. For alternative sizes please contact us with your requirements. Units can be equipped with power outlets, USB ports and built-in lighting. Seating pictured by chairplan.co.uk.

Important Notes:

- The printing process or computer screen cannot reproduce exactly the subtle colours, textures and finishes of the decor range.
- Please review a sample prior to ordering.
- Tabletop finishes can be discontinued at short notice so please contact the office for availability.
- Other colours and grains are available upon request.
- We can offer this range with Veneer, Laminate and Solid Surface tops, please contact the office with enquiries
- Band B and C will incur additional charges

TERMS & CONDITIONS

ORDERING GUIDELINES & GENERAL INFORMATION

Pricing

All pricing shown is in sterling (£) and is subject to VAT at the standard rate.

Payment Terms

Net 30 days from date of invoice.

Ordering

All orders must be in writing and contain all the relevant product information and delivery details

Order Acknowledgements

All orders will be acknowledged within 48 hours of receipt. Customers must check the Order Acknowledgement carefully upon receipt and notify the Customer Service Department of any errors, omissions or required amendments without delay. We cannot be held responsible for errors arising from incorrect information supplied by the customer. Requests for amendments must be received within this same 48-hour period. Amendments requested after this time may be subject to additional charges.

Lead Times

Lead times may vary depending on finish selection, product specification and component availability. Once an order has been received, it will be acknowledged with a week-commencing delivery date based on our current production schedule. Please note that lead times may vary during peak periods, such as the summer months or times of increased demand; customers are therefore advised to contact the Customer Service Department prior to placing an order for confirmation of current lead times, particularly where delivery dates are critical.

Product Specification

Whilst every effort is taken to ensure that all dimensions and specification details are correct, Furnitureplan cannot be held responsible for errors. Furnitureplan reserve the right to make any changes to the design specification, materials etc without prior notice.

For a copy of Furnitureplan by Frem Group's general terms and conditions please contact our customer service team.

Finishes

All finishes shown within this brochure are indicative only. If there is any uncertainty or concern regarding a finish, a physical sample should be requested and viewed prior to placing an order.

Samples

All samples are invoiced on delivery and credited on return. Must be available for return within two weeks unless agreed by prior arrangement.

Deliveries

Direct tailgate deliveries within the UK mainland are free of charge for orders with a minimum net order value of £1,500. All orders below this value will incur a £75 delivery charge. Nominated warehouse deliveries are subject to availability and follow the same delivery charge structure. Delivery with installation or placement is available and priced upon application. We do not deliver outside UK Mainland. We can prepare goods for export which would be quoted on an ad hoc basis.

Returns / Damaged Product / Warranties

Furnitureplan does not accept returns for any reason unless the product is found to be damaged or faulty at the point of delivery. Any such issues will be handled through our non-conformance reporting procedure, which must be initiated within 24 hours of delivery. All products are made to order and receive the highest level of attention to detail. In the unlikely event that a product fails, please contact us in the first instance and provide photographs along with a written description explaining how the issue occurred or was identified.

Our standard warranties do not cover misuse, normal wear, or tear. Warranty periods vary depending on the product; please contact our office to confirm the specific warranty terms applicable to your items.

**MADE IN
BRITAIN** 

The "MADE IN BRITAIN" logo. The words "MADE IN" are stacked above "BRITAIN" in a bold, white, uppercase sans-serif font. To the right of the text is a white graphic element consisting of two parallel diagonal lines forming a stylized 'N' or a corner.
